PARTICIPANTS: Nuclear Regulatory Commission Maritime Strategy Team
Farideh Saba, PE Senior Project Mgr Eddie McFalls, AECOM

A telephone call was held with Ms. Farideh Saba, PE of the Nuclear Regulatory Commission on January 26, 2011. Ms. Saba, the NRC project manager for the Brunswick site, was contacted after the Maritime Strategy Team was given her name by Mr. Roger Hannah, Senior Public Affairs Officer of the Nuclear Regulatory Commission. Prior to the the call, information gathered from the meeting held with Progress Energy was forwarded to Ms. Saba for review. Ms. Saba stated that environmental compliance issues could not be reviewed in detail at this time, but repeated the needs voiced by Progress Energy to address physical / nuclear security and to update emergency evacuation plans. She also requested a copy of the NC Maritime Strategy report be forwarded to her office when complete.
